

An invitation from Eisai to a promotional symposium at the annual meeting of the European Thyroid Association

For healthcare professionals only

Supporting patients throughout their treatment with MKIs: case-based learning from the experts

Sunday, 8 September 2024

11.10-12.10 EEST

Amphitheatre

CHAIR:

Dr Marcia Brose
Jefferson Torresdale
Hospital, USA

EXPERT PANELLISTS:

Dr Jaume Capdevila
Vall d'Hebron Institute
of Oncology, Spain

Dr Kate Newbold
The Royal Marsden, UK

JOIN OUR EXPERT PANEL
as they share their real-world
experience in supporting patients
at all stages of their MKI treatment,
including:

- Preparing for treatment (prehabilitation)
- Commencing treatment and the first 6 months
- Supporting patients for the long-term

This is a promotional symposium that has been initiated and funded by Eisai. Eisai products will be discussed during this session.
